## Project Information

Following the successful completion of previous works for this main contractor and Nationwide themselves, we were chosen once again to complete the main fit-out works for Nationwide's Lancaster Building Society refurbishment.

This project included the strip-out of the existing store, followed by installation of new partitioning and dry-lining works, new flooring and ceiling fixtures and decoration across the whole premises.

The previous store looked tired as it has served the community in Lancaster for a long time, so the new fit-out works here gives it the facelift it deserves.

## Scope of Works

- Strip-Out of Existing Building Society Fixtures
- Installation of New Partitions
- New Dry-Lining Works
- New MF & Suspended Ceiling Installation
- New Flooring Installation
- Decoration to the Full Premises

## Our Promise To You

From our inception in 2009, we have grown to become one of the UK's leading office design and fit out companies.

Our staff, from the ground up, are focussed on creating some of the most inspiring working environments that the UK has seen, paying close attention to the quality of service and finish that we provide.

We firmly believe that this is the reason some of the UK's leading brands have chosen us to carry out their office design and fit out works.

For more information about us and how we can help you, please visit our website.
