Project Overview

Tom Hartley Jnr is the world's leading supplier of the finest automobiles ever to have been created. They were looking to work with a partner with integrity and who could design and fit their new office space.

ACI designed and installed a bespoke architectural mezzanine floor and feature spiral staircases system. The first floor was then fitted out as office and meeting room space, using full height jumbo stud partitioning, walnut veneered doors and frameless glass partitioning including a side loaded system to comply with building regulations.

The result is an extremely high end office space, in keeping with the amazing vehicles that Tom Hartley Jnr deals with.

Our Promise To You

From our inception in 2009, we have grown to become one of the UK's leading office design and fit out companies.

Our staff, from the ground up, are focused on creating some of the most inspiring working environments that the UK has seen, paying close attention to the quality of service and finish that we provide.

We firmly believe that this is the reason some of the UK's leading brands have chosen us to carry out their office design and fit out works.

For more information about us and how we can help you, visit our website.
