Turnkey Project Overview

EDF Tax LLP engaged aci™ to handle the fit out of the ground floor of their rapidly expanding Nottingham head office. This was quite a challenge with less than 1,700ft² to work with it was a real challenge to satisfy EDF's design criteria.

The completed design was a triumph that allowed EDF to have a separate, reception area, meeting rooms divided with a moving wall, open plan workspace, kitchen area, break out space and substantial integrated storage space.

Special design features helped to lift the fit out to a very high standard with extended use of glass, mostly double glazed for acoustic properties and flush glazed, frameless doors to complete the high end look.

Fit Out Project Scope

Frameless Glass Partition Walls
Flush Glazed, Frameless Doors
Walnut Folding Wall
Storagewall with Bespoke Recycling Point
Office Furniture and Seating
Display and TV Equipment

Customer Comment

I engaged aci™ and their team to fit out our office, and received a thoroughly first class service. They took the time and effort to understand what we were after and exceeded our expectations - the attention to detail is second to none. aci™ are a true professional organisation, and I would not hesitate to recommend them in the future.

Michelle Mauro, Partner, EDF Tax LLP
