

A modern office desk with a chair, a laptop, and a lamp, set against a large window with vertical blinds. The scene is lit with soft, natural light from the window, creating a professional and clean atmosphere. The desk is a light grey color with two drawers. The chair is black with a high back and armrests. The laptop is open and positioned on the desk. The lamp is a sleek, modern design with a adjustable arm. The window has vertical blinds that are partially open, allowing light to filter through. The overall aesthetic is minimalist and functional.
